KIDS WHO COOK...Eat! A lunchtime solution for youth ages 8-14.

Younger kids work alongside our adult instructors while older youth can indulge their culinary curiosity.

Wednesday Sessions 11:00 a.m. – 12:30 p.m. (\$160 per month)

*** June 6, 13, 20 & 27 * July 6, 13, 20 & 27 * August 3, 10, 17, & 24**

Every Wednesday at 11 am during the months of June, July and August, students will learn different aspects of cooking at the Flour Pot Kitchen Classroom. The class will conclude with dining on the food that has been prepared.

Each week we will have a different recipe to share and new techniques for participants to learn. We will share ideas for healthy snacks and lunchtime meals.

The first week of the month, the instructors and students will discuss meal planning for the month. Ideas will be presented and brainstorming to meet the needs of the kids and their preferences.
